Water and Energy Related Solutions

Leading supplier of water and energy related equipment
and solutions in the East African region

1. SOLAR PUMPS

DC solar-powered pumps for off-grid water supply, irrigation, and borehole applications

Product Name	Description	Price (KSh)	Stock
Dayliff SUNFLO-S 300 S/S Solar Pump	Stainless steel solar-powered pump. 300W DC motor, suitable for borehole and surface water lifting.	23,100	In stock
Dayliff Sunflo-B2 400C3 Solar Pump	DC solar submersible pump, 400W, 3-wire brushless motor. For shallow wells and boreholes.	26,460	Sold out
Dayliff Sunflo-B2 800C3 Solar Pump	DC solar submersible pump, 800W, 3-wire brushless motor. Mid-range lifting capacity.	30,600	In stock
Dayliff Sunflo-B2 1500C3 Solar Pump	DC solar submersible pump, 1500W, 3-wire brushless motor. High-flow borehole pump.	37,980	In stock
SHURFLO 24V DC Submersible Pump	24V DC solar-compatible submersible pump. Compact design for low-flow applications.	41,000	Sold out
Futurepump SE1 – Solar pump for one acre	Solar-powered surface irrigation pump. Designed for irrigating up to 1 acre. No electricity needed.	72,000	In stock
Futurepump SF2 – Solar pump for two acres	Solar-powered surface irrigation pump. Higher capacity; covers up to 2 acres of irrigation.	95,000	In stock
SolarPlex SPX-800-5 800W DC Pump	800W brushless DC solar pump. 5-stage centrifugal, suitable for borehole depths up to 80m.	99,000	In stock
SUNFLO-A 270H Solar Pumping System	Complete solar pumping system (pump + controller + panels), 270W, horizontal discharge.	106,200	Sold out
Dayliff Sunflo-B2 400C3 Solar Pumping System	Complete solar pumping system, 400W, 3-stage brushless. Pump + solar controller included.	63,000	Sold out
Dayliff Sunflo-B2 800C3 Solar Pumping System	Complete solar pumping system, 800W, brushless DC. Pump + controller + mounting hardware.	78,300	In stock
Dayliff Sunflo-B2 1100C3 Solar Pumping System	Complete solar pumping system, 1100W, 3-wire brushless DC motor. High-volume domestic/commercial.	112,500	In stock
DAYLIFF SUNFLO-B2 1300C3 Solar Pumping System	Complete solar pumping system, 1300W, brushless DC. Large farm or community water supply.	130,500	Sold out

DAYLIFF SUNFLO-B 1000C8 Solar Pump (Clearance)	1000W DC solar borehole pump, 8-stage centrifugal. Clearance pricing — limited stock.	135,900	In stock
DAYLIFF DPSOLAR 1000 Solar Pool Pump	DC solar-powered pool circulation pump, 1000W. Designed for swimming pool filtration without grid power.	99,450	Sold out
Dayliff DDPS50 DC Solar Pump	Small DC solar surface pump, 50W. Ideal for domestic water boosting or drip irrigation.	13,590	Sold out
Dayliff DDPS60 DC Solar Pump	Small DC solar surface pump, 60W. Slightly higher flow than DDPS50. Domestic or garden use.	14,580	Sold out
SUNFLO-A 600H Solar Pumping System	Complete solar pumping system, 600W, horizontal discharge. Suitable for surface water abstraction.	150,300	Sold out

2. WATER PUMPS

2.1 Domestic & Booster Pumps

Peripheral and centrifugal pumps for household pressure boosting and domestic water supply

Product Name	Description	Price (KSh)	Stock
Dayliff DDP 60	0.37kW domestic peripheral pump. Household water supply and pressure boosting.	6,900	In stock
Dayliff DDP 60E Booster Pump (Econo)	Economy-grade 0.37kW peripheral pump. Budget domestic boosting.	5,900	In stock
Dayliff DDP 65 Domestic Pump	0.5kW single-phase peripheral pump for household pressure boosting.	16,182	In stock
Dayliff DDP 50A Domestic Pump	0.5kW domestic surface pump with automatic pressure switch.	14,600	In stock
Dayliff DQ15F Shower Booster	Compact inline shower booster pump, 150W. Increases shower pressure from gravity-fed tanks.	10,336	In stock
Dayliff DDP 65A 0.3kW Peripheral Pump	0.3kW automatic peripheral pump with built-in pressure controller.	25,474	In stock
Dayliff DDG 1000 Auto Press Pump	1kW automatic pressure pump with integrated electronic controller.	29,754	In stock
Dayliff DDG 1000	1kW centrifugal surface pump. General-purpose household or light commercial supply.	12,100	In stock
Dayliff DQA Hot Water Circulator Pump	Inline circulator pump for domestic hot water recirculation systems.	23,177	In stock
Dayliff DDC 158 Booster Pump	1.1kW centrifugal booster pump, single-phase. Domestic to light commercial.	14,200	In stock
Dayliff DDC 158E Booster Pump	Economy version of DDC 158. 1.1kW single-phase centrifugal pump.	11,500	In stock

Dayliff DDC 170 Centrifugal Pump	1.7kW single-phase centrifugal pump. Higher flow rates for buildings and farms.	33,722	In stock
Dayliff DDS 750 Centrifugal Booster Pump	0.75kW centrifugal surface pump. Reliable general-purpose water boosting.	36,300	In stock
Dayliff DDT10 0.75kW Pump	0.75kW single-phase turbine pump. Suitable for domestic and light commercial use.	20,150	In stock
Pedrollo CPm130	0.37kW single-stage centrifugal pump. Italian-made. Household water pressure boosting.	23,900	In stock
Pedrollo CPm150	0.5kW single-stage centrifugal pump. Italian-made. Reliable domestic supply.	30,700	In stock
Pedrollo CPm158	0.75kW single-phase centrifugal pump with pressure switch. Domestic to commercial.	28,000	In stock
Pedrollo CPm158 Hydrofresh	0.75kW CPm158 with built-in pressure vessel (Hydrofresh kit). Reduces pump cycling.	65,772	Sold out
Pedrollo CPm170	1.0kW single-phase centrifugal pump. Italian-made. Higher flow than CPm158.	91,872	In stock
Pedrollo CPm190	1.5kW centrifugal pump. Heavy-duty domestic or light commercial supply.	107,532	In stock
Pedrollo PKm60 Hydrofresh	0.37kW peripheral pump with integrated pressure tank. Compact, for small households.	41,760	Sold out
Pedrollo PKm65	0.5kW peripheral impeller booster pump. Italian-made household pressure boosting.	20,996	Sold out
Pedrollo PKm80	0.75kW peripheral impeller booster pump. Stronger flow than PKm65.	33,930	In stock
Pedrollo PKm60 Peripheral Impeller Booster	0.37kW peripheral pump (without pressure tank). Compact domestic boosting.	9,500	In stock
Pedrollo Easy Press	Small automatic pressure booster kit (pump + vessel + switch). Plug-and-play setup.	16,612	Sold out
Pedrollo Easysmall-2	Compact 0.25kW peripheral pump. Very small households or garden watering.	10,500	Sold out
DG PED Mini Booster pump	Compact inline pressure booster. For apartments and buildings with low mains pressure.	93,960	Sold out

2.2 Jet & Pressure Pumps

Shallow-well jet pumps and pressure vessel kits for surface water extraction

Product Name	Description	Price (KSh)	Stock
Dayliff DDJ 750 0.75kW Jet Pump	0.75kW shallow-well jet pump. Draws water from depths up to ~9m.	20,567	Sold out
Dayliff DDJ 1100 Jet Pump	1.1kW shallow-well jet pump. Higher capacity version. Good for domestic wells.	34,557	In stock
Varem KS Kit	Pressure vessel kit with connections. Used with surface pumps to reduce short-cycling.	19,001	In stock
Global Max 24L 16bar Pressure Kit	24-litre diaphragm pressure vessel rated at 16 bar. Works with most surface pumps.	21,924	In stock

2.3 Smart Boosting Systems

Variable-speed smart pumps with automatic pressure control and energy-saving features

Product Name	Description	Price (KSh)	Stock
DAYLIFF DSmart300 0.3kW Booster Pump	Smart variable-speed pressure boosting system, 0.3kW. Constant pressure, energy-saving.	43,848	In stock
DSmart 500 Smart Water Boosting System 0.5kW	Variable-speed smart booster, 0.5kW. Maintains constant water pressure automatically.	51,156	In stock
DSmart 750 Smart Water Boosting System 0.75kW	0.75kW variable-speed smart booster. For multi-floor buildings or larger households.	72,036	In stock
DSmart 1500 Smart Water Boosting System 1.5kW	1.5kW variable-speed smart booster. Commercial buildings or high-demand installations.	159,732	In stock
Aquastrong Smart45 Water Boosting System	Integrated multi-pump smart boosting system. Variable speed with dry-run protection.	95,004	Sold out
Pedrollo Top Multi 4 0.75kW 1ph Pump	Multi-stage vertical booster pump, 0.75kW single-phase. Italian-made. High head applications.	83,520	In stock
PEDROLLO TOP MULTI 2 0.55kW Pump	Multi-stage vertical booster pump, 0.55kW single-phase. Compact high-head boosting.	57,420	In stock
Pedrollo UPm 2/3	Multistage inline circulation pump, 2-stage. For heating, cooling, and pressure systems.	112,752	In stock
Pedrollo UPm 2/4	Multistage inline pump, 2-pole 4-stage. Higher head than UPm 2/3.	115,884	In stock
Pedrollo UPm 2/6	Multistage inline pump, 2-pole 6-stage. For high-rise buildings and pressure boosting.	163,908	Sold out
Pedrollo UPm 4/6	Multistage inline pump, 4-pole 6-stage. Higher flow multi-stage booster.	174,348	In stock

Pedrollo UPm 8/4	Multistage inline pump, 8-pole 4-stage. Commercial pressure boosting.	146,160	In stock
PEDROLLO Dm10	Multistage centrifugal pump, 10-stage. High pressure commercial/industrial water supply.	107,532	In stock
Dayliff DB 2-30 Super Silent Booster Pump	2-stage silent booster, 0.75kW. Low-noise design for apartments and offices.	43,848	In stock
Dayliff DB 4-30	4-stage booster pump, 0.75kW. Suitable for multi-storey buildings.	44,892	In stock
Dayliff DB4-40	4-stage booster pump, 1.1kW. Higher head and flow than DB 4-30.	50,321	In stock
Dayliff DB4-60	4-stage booster pump, 1.5kW. Heavy-duty multi-floor pressure supply.	66,816	In stock
Dayliff DB2-50	2-stage booster pump, 1.1kW. Commercial boosting for buildings and water systems.	54,288	Sold out
Mascontrol 2.2kW 1¼"	Electronic pressure controller-integrated pump. Auto start/stop, dry-run protection.	25,578	Sold out

2.4 Borehole & Submersible Pumps

Submersible borehole pumps for deep wells, multistage centrifugal units, and industrial applications

Product Name	Description	Price (KSh)	Stock
Dayliff D3SP1-14 0.37kW 3" Pump	3-inch submersible borehole pump, 0.37kW. Suits narrow boreholes, 14-stage.	29,604	In stock
Dayliff D3SP1-27 0.37kW 3" Pump	3-inch submersible borehole pump, 0.37kW, 27-stage. Higher head version.	40,925	In stock
Dayliff 3E/7 0.37kW 1HP Pump C/W 30M Cable	3-inch submersible pump, 0.37kW, with 30m cable included. Ready to install.	17,632	In stock
DAYLIFF DSD 3/13 0.75kW C/W 30M Cable & Float Switch	3-inch borehole pump, 0.75kW, 13-stage. Comes with 30m cable and float switch.	29,500	In stock
Dayliff DSD 3/10 Well Pump (without Float Switch)	3-inch submersible well pump, 10-stage. Cable not included; no float switch.	24,600	In stock
Dayliff DSD 3/18 Well Pump (without Float Switch)	3-inch submersible well pump, 18-stage. Higher head. No float switch included.	31,300	Sold out
Dayliff DSD 3/18 Well Pump (with Float Switch)	3-inch submersible well pump, 18-stage. Float switch included for automatic cut-off.	35,000	In stock

DAYLIFF DSD 5/18 1.5kW 1PH C/W 30M Cable	5-inch borehole pump, 1.5kW, 18-stage. High-capacity with 30m cable. Single-phase.	44,452	In stock
DSD 5/10 Borehole Pump	5-inch borehole submersible pump, 10-stage. Good mid-range capacity for farms and buildings.	34,429	In stock
Pedrollo DAVIS (with 20m cable, no Float Switch)	4-inch Italian submersible borehole pump with 20m cable. No float switch.	57,304	Sold out
Pedrollo DAVIS (with 40m cable)	4-inch Italian submersible borehole pump with 40m cable. Deeper borehole applications.	68,440	In stock
Dayliff DDA 600C Submersible Pump	600W submersible multistage centrifugal pump. For wells and water tanks.	24,400	Sold out
Dayliff DDA 1000P Submersible Multistage	1000W submersible multistage centrifugal pump. Higher output for deeper wells.	17,800	In stock
Dayliff DDA 1200C Submersible Well Pump	1200W submersible multistage pump. High flow rate for farms and commercial use.	28,400	Sold out
DAYLIFF DS 95-2 Submersible Pump	Large 4-inch submersible, 2-stage, for high-volume water supply. 3-phase.	158,688	Sold out
DAYLIFF DS 95-4 Submersible Pump	4-inch submersible, 4-stage. Commercial/industrial borehole pump.	219,936	Sold out
DAYLIFF DS 95-6 Submersible Pump	4-inch submersible, 6-stage. For large farms and industrial water supply.	283,040	Sold out
DAYLIFF DS 95-8 Submersible Pump	4-inch submersible, 8-stage. Heavy-duty industrial water extraction.	344,288	Sold out
DAYLIFF DS 95-10 Submersible Pump	4-inch submersible, 10-stage. Very high head/flow industrial pump.	412,960	Sold out
DAYLIFF DS 95-12 Submersible Pump	4-inch submersible, 12-stage. Maximum output in the DS 95 series.	477,920	Sold out
DAYLIFF DDV60 Vibration Pump	Small vibration-type submersible pump, 60W. For shallow wells and water tanks.	6,728	Sold out

2.5 Engine Pumps (Petrol & Diesel)

Self-priming petrol and diesel engine pumps for irrigation, construction, and emergency dewatering

Product Name	Description	Price (KSh)	Stock
Dayliff DC50S 2" 7.0HP Petrol Pump	2-inch petrol engine pump, 7.0HP. Self-priming, for surface water and irrigation.	15,034	In stock
Dayliff DC50LPG 2" 7.0HP Petrol/LPG Pump	2-inch dual-fuel pump (petrol or LPG), 7.0HP. Flexible fuel option for remote areas.	13,500	In stock
Dayliff DC 50P (Petrol Engine Pump)	2-inch petrol self-priming centrifugal pump. Irrigation and general water transfer.	21,460	Sold out

Dayliff DC80S 3" 7.0HP Petrol Pump	3-inch petrol pump, 7.0HP. Higher flow rate than 2-inch models. Irrigation and dewatering.	16,913	In stock
Dayliff DCX1 50P (Petrol Engine Pump)	2-inch petrol engine pump, heavy-duty commercial grade. Strong self-priming capability.	36,958	In stock
Dayliff DCX2 50P (Petrol Engine Pump)	Upgrade of DCX1 50P. Higher performance petrol pump for commercial irrigation.	37,584	In stock
Dayliff DCX2 50D (Diesel Engine Pump)	2-inch diesel engine pump. Commercial-grade, lower fuel costs than petrol equivalent.	83,520	Sold out
DAYLIFF DC80D 6HP Diesel Pump	3-inch diesel pump, 6HP. Robust for large-scale irrigation and dewatering.	73,080	In stock
Dayliff DCX1 80D (Diesel Engine Pump)	3-inch heavy-duty diesel engine pump. Commercial and agricultural water transfer.	121,104	In stock

2.6 Drainage Pumps

Submersible drainage and dewatering pumps for flooded areas, construction sites, and sewage applications

Product Name	Description	Price (KSh)	Stock
Dayliff DDW 400S Drainage Pump	0.4kW submersible drainage pump. Removing water from flooded areas and construction sites.	7,500	In stock
Dayliff DDW 750S Drainage Pump	0.75kW submersible drainage pump. Handles light solids. Site dewatering.	10,200	In stock
Dayliff DDW 750V Drainage Pump	0.75kW vortex drainage pump. Better solids-handling than standard DDW 750S.	10,600	In stock
Dayliff DDW 1000V Drainage Pump	1.0kW vortex submersible drainage pump. High-flow dewatering with solids passage.	12,600	In stock
Dayliff DWY 370 Drainage Pump	0.37kW submersible drainage pump. Compact, for domestic flooding and sump pits.	14,512	Sold out
Dayliff DWY 550 Drainage Pump	0.55kW submersible drainage pump. Mid-range domestic and light commercial drainage.	18,062	Sold out
DAYLIFF DWY750L 0.75kW Pump	0.75kW submersible drainage pump with float switch. Auto start/stop at set water levels.	19,210	Sold out
Dayliff DWY 1500 Drainage Pump	1.5kW heavy-duty submersible drainage pump. For high-volume site dewatering.	26,622	Sold out
Dayliff DWW05A Drainage Pump	0.5kW grinder/drainage pump for waste water with suspended solids.	63,684	Sold out

Pedrollo Top 2 Drainage Pump	0.55kW submersible drainage pump. Italian-made, for clean or lightly contaminated water.	29,000	In stock
Pedrollo Top Multi 1 Drainage Pump	0.37kW multi-channel drainage pump. Handles solids up to 10mm. Italian-made.	37,898	Sold out
Pedrollo Top MultiTech Drainage Pump	1.1kW multi-stage drainage pump. Handles dirty water and solids. Italian-made.	107,532	In stock
Pedrollo Top Multi Tech 2 – 0.55kW	0.55kW multi-channel drainage pump with vortex impeller. Italian-made.	112,752	Sold out
Pedrollo SALI Pump	Submersible dirty water pump. Passes solids up to 50mm. For construction site use.	64,960	Sold out

2.7 Fountain & Specialty Pumps

Small submersible pumps for garden features, ponds, and decorative water systems

Product Name	Description	Price (KSh)	Stock
Dayliff DDF50 Fountain Pump	Small submersible fountain and pond pump, 50W. For garden water features.	9,605	In stock
Dayliff DDF110 Fountain Pump	110W submersible fountain pump. Higher flow for larger garden features and ponds.	14,616	In stock
Pedrollo Top 2 Drainage Pump	Also used for pond and feature water recirculation. 0.55kW, handles light solids.	29,000	In stock

2.8 Pump Controllers

Pressure controllers and protective devices for pump automation and dry-run protection

Product Name	Description	Price (KSh)	Stock
Dayliff Superpress S 2.2kW Pump Controller	Pressure controller for single-phase 2.2kW pumps. Auto start/stop, dry-run protection.	4,700	In stock
Dayliff Superpress P 2.2kW Pump Controller	Pressure controller variant for 2.2kW pumps. Protective features against no-load running.	5,626	In stock

2.9 Clearance & Bareshaft Pumps

Clearance items and bareshaft pumps available at special pricing. Place a bid for negotiated prices.

Product Name	Description	Price (KSh)	Status
DAYLIFF DE100-26 Bareshaft Pump (Clearance)	Bareshaft centrifugal pump (no motor). For pairing with existing engines or motors.	105,000	Bid

DAYLIFF Multistage DMS25/4 Pump (Clearance)	25mm outlet, 4-stage multistage pump (bareshaft). Clearance pricing, place a bid.	185,000	Bid
DAYLIFF Multistage DMS85/5 Pump (Clearance)	85mm outlet, 5-stage multistage pump. Commercial/industrial water supply. Clearance pricing.	213,000	Bid
GRUNDFOS CRE 15-3 4kW 3PH Pump (Clearance)	Grundfos inline multistage pump, 4kW 3-phase. Variable speed. Clearance pricing.	330,600	Bid
GRUNDFOS CRN 20-12 A-FGJ-G-E-HQQE (Clearance)	Grundfos vertical multistage in-line pump, 20m³/h, 12-stage. Industrial. Clearance pricing.	580,000	Bid

3. SOLAR EQUIPMENT

3.1 Solar Panels

Monocrystalline and polycrystalline solar modules for off-grid and grid-tied systems

Product Name	Description	Price (KSh)	Stock
Dayliff 85W 12V Monocrystalline Solar Module	85W, 12V monocrystalline panel. For small off-grid lighting and charging systems.	2,890	In stock
Dayliff 125W 12V Monocrystalline Solar Module	125W, 12V mono panel. Suitable for domestic lighting and small pump systems.	4,250	In stock
Dayliff 150W 12V Monocrystalline Solar Module	150W, 12V monocrystalline. Mid-size 12V system panel.	4,500	Sold out
Dayliff 200W 43.5V VOC Monocrystalline Solar Module	200W, 43.5V open-circuit mono panel. For 24V or 48V system arrays.	5,000	In stock
Dayliff 280W Multicrystalline Solar Module 24VDC	280W, 24V poly panel. Slightly lower efficiency than mono; good value for large arrays.	7,840	Sold out
Dayliff 325W 45.35V VOC Monocrystalline Solar Module	325W, 45.35V mono panel. Good all-round panel for home solar systems.	7,475	In stock
Dayliff 350W 48VOC Monocrystalline Solar Module	350W, 48V monocrystalline panel. For 48V battery bank systems.	8,225	In stock
Dayliff 550W 50V VOC Monocrystalline Solar Module	550W, 50V large-format mono panel. High efficiency for commercial rooftop systems.	11,000	In stock
Trina 620W 49.6V VOC Monocrystalline Solar Module	620W, 49.6V premium Trina mono panel. Top-tier performance for large solar installations.	TBD	Contact

3.2 Solar Batteries

Lithium-ion (LiFePO4) and lead-acid batteries for off-grid solar energy storage

Product Name	Description	Price (KSh)	Stock
Dayliff 35AH 12V Sealed Solar Battery	35Ah 12V sealed lead-acid battery. Entry-level solar storage for lighting systems.	9,000	Sold out
DAYLIFF DLIP 1.3KWH 100AH 12V Lithium Ion Battery	1.3kWh, 100Ah, 12V LiFePO4 lithium battery. Free-standing unit with BMS.	31,500	In stock
DAYLIFF DLIP 2.6KWH 100AH 24V Lithium Ion Battery (Free Standing)	2.6kWh, 100Ah, 24V LiFePO4 lithium battery. Free-standing with BMS.	50,250	In stock
DAYLIFF DLIP 2.6KWH 100AH 24V Wall Mount (Clearance)	2.6kWh, 100Ah, 24V LiFePO4 wall-mount version. Clearance pricing.	57,000	Bid
Dayliff 75AH LiFePO4 Lithium Ion Battery C/W BMS	75Ah LiFePO4 battery with built-in battery management system. Durable deep-cycle storage.	124,000	In stock
Dayliff 100AH LiFePO4 Lithium Ion Battery C/W BMS	100Ah LiFePO4 battery with BMS. Higher capacity for off-grid homes.	154,000	In stock
Dayliff DLID 50AH 24V PAYGO Lithium Ion Battery	50Ah, 24V PAYGO-enabled LiFePO4 battery. Payment-plan compatible for rural electrification.	104,055	In stock
Dayliff DLID 50AH 48V Lithium Ion Battery	50Ah, 48V LiFePO4 battery. For 48V inverter systems.	126,492	In stock
Dayliff DLID 50AH 48V PAYGO Lithium Ion Battery	50Ah, 48V PAYGO-enabled. Pay-as-you-go version of DLID 48V battery.	149,800	Sold out
DAYLIFF DLIP 7.7KWH 150AH 48V Rack Mount Lithium Ion Battery	7.7kWh, 150Ah, 48V rack-mount LiFePO4. Commercial or large home storage.	150,000	Bid
DAYLIFF CPLI 7.7KWH 150AH 48V Rack Mount (Clearance)	7.7kWh 48V rack-mount battery. Clearance pricing — place a bid.	224,000	Bid

3.3 Inverters

DC-to-AC inverters and hybrid solar inverters for off-grid and grid-tie systems

Product Name	Description	Price (KSh)	Status
Dayliff DCVERTER 300W 12V Offgrid Inverter	300W 12V DC-to-AC inverter. Basic off-grid power for small loads.	7,830	In stock
Dayliff DCVERTER 600W 12V Offgrid Inverter	600W 12V pure sine wave inverter. For small home appliances off-grid.	9,300	In stock
IZZY 600W 12VDC Inverter (Clearance)	600W 12V inverter on clearance. Modified sine wave output.	10,000	Bid
Izzy 600 12VDC Inverter (Clearance)	600W 12V inverter, clearance pricing. Available to purchase directly.	10,000	In stock
Dayliff DCVERTER 1000W 12V Offgrid Inverter	1000W 12V off-grid inverter. Suitable for TVs, lights, and small appliances.	16,380	In stock

Izzy 1000 12VDC Inverter (Clearance)	1000W 12V inverter, clearance sale. Two listings available.	16,000	Bid
Izzy 1500 12VDC Inverter (Clearance)	1500W 12V inverter, clearance pricing.	33,000	Bid
Vispra 1000W 12VDC Inverter	1000W 12V pure sine wave inverter. Off-grid home backup power.	17,500	Sold out
Ultraverter 1KW 12V	1kW 12V pure sine wave off-grid inverter. For domestic backup power.	29,340	In stock
Ultraverter 2KW 24V	2kW 24V pure sine wave inverter. For larger homes and small businesses.	30,780	In stock
Ultraverter 3KW 24V	3kW 24V pure sine wave inverter. Commercial off-grid use.	36,180	In stock
Dayliff Optiverter D01200 Multifunction Inverter	1200W multifunction inverter (solar + grid + battery). All-in-one hybrid unit.	42,000	Sold out
DAYLIFF OPTIVERTER DO2500W Multifunction Inverter	2500W hybrid solar inverter with built-in charge controller. Clearance price.	45,000	Bid
Dayliff Growatt 3000VA 24VDC Multifunction Inverter	3kVA 24V Growatt hybrid inverter. Solar + grid + battery management.	50,000	In stock
DAYLIFF GROWATT 3KVA 24VDC Multifunction Inverter (Clearance)	Same 3kVA Growatt 24V unit, clearance pricing. Place a bid.	45,000	Bid
Dayliff Growatt 3000VA 48VDC Multifunction Inverter	3kVA 48V Growatt hybrid inverter. For larger battery bank systems.	53,000	Sold out
DAYLIFF OPTIVERTER DO4000W Multifunction Inverter	4000W hybrid solar inverter. High-capacity home or small commercial system.	75,000	Bid
DAYLIFF GROWATT 5000VA Multifunction Inverter (Clearance)	5kVA Growatt hybrid inverter, clearance pricing. No parallel capability.	86,000	Bid
VISPRA 5000VA 48VDC Inverter (Clearance)	5kVA 48V Vispra inverter on clearance. Heavy-duty off-grid backup.	122,000	Bid
SUNNY ISLAND MASTER SI6H-12 6kW Battery Inverter	SMA Sunny Island 6kW battery inverter. Premium grid-forming inverter, regular price.	50,000	In stock
SUNNY ISLAND MASTER SI6H-12 6kW Battery Inverter (Clearance)	Same SMA Sunny Island 6kW unit, clearance pricing.	100,000	Bid
DAYLIFF GROWATT 10KW 3PH Grid Tie Inverter	10kW 3-phase grid-tie inverter. For commercial solar PV grid-injection systems.	190,000	Bid
DAYLIFF GROWATT 20KW 3PH Grid-Tie Inverter (Clearance)	20kW 3-phase grid-tie inverter. Large commercial solar system. Clearance pricing.	240,000	Bid
Hybrid Portable Power Supply ECO 1024	Portable hybrid power station, 1024Wh. Solar + AC + DC inputs. For off-grid and travel use.	81,000	In stock

HUAWEI SUN2000 3KTL-L1 3.3kW 1PH Inverter	Huawei 3.3kW single-phase on-grid solar inverter. For residential rooftop PV.	109,000	In stock
HUAWEI SUN2000 3KTL-M1 3kW 3PH Inverter	Huawei 3kW 3-phase on-grid inverter. For small commercial solar systems.	177,000	In stock
HUAWEI SUN2000 5KTL-M1 5.5kW 3PH Inverter	Huawei 5.5kW 3-phase on-grid solar inverter. Mid-range commercial PV.	157,000	In stock
HUAWEI SUN2000 10KTL-M1 10kW 3PH Inverter	Huawei 10kW 3-phase on-grid solar inverter. Large commercial rooftop PV system.	215,000	In stock

3.4 Solar Hot Water Heaters

Flat-plate and vacuum-tube solar water heaters, plus heat pump alternatives for domestic hot water

Product Name	Description	Price (KSh)	Status
Dayliff Ultrasun UVT 200 SWH	200L evacuated tube solar water heater. Efficient passive heating for homes.	95,120	In stock
UltraSun UFS150D Flat Plate	150L direct flat plate solar water heater. Good for 2–3 person households.	154,280	In stock
UltraSun Standard 200L Direct Solar Hot Water System	200L direct flat plate solar system. Standard range for average family use.	165,880	In stock
UltraSun Premium 150L Direct Solar Hot Water System	150L premium flat plate solar system. Higher collector efficiency than standard.	212,976	In stock
UltraSun UVR VacRod-150	150L heat pipe vacuum tube solar water heater. Excellent cold-climate performance.	200,680	In stock
UltraSun UVR VacRod-200	200L heat pipe vacuum tube solar water heater. Family-size hot water supply.	284,200	In stock
UltraSun UVR VacRod-300	300L heat pipe vacuum tube solar water heater. For large families or guesthouses.	319,000	In stock
UltraSun Premium 200L Direct Solar Hot Water System	200L premium flat plate solar system. Higher quality components than standard range.	294,408	In stock
UltraSun Premium 300L Direct Solar Hot Water System	300L premium flat plate solar system. For large households and lodges.	336,168	In stock
UltraSun Premium 300L Indirect Solar Hot Water System	300L indirect flat plate system (heat exchanger loop). Suitable for hard/scaling water.	290,000	Sold out
ULTRASUN UFS300D Flat Plate	300L direct flat plate solar water heater. Commercial-grade system.	225,040	In stock

ULTRASUN 3.0M ² Flat Plate Solar Collector (Clearance)	3.0m ² collector panel only (no tank). For custom solar thermal installations.	30,000	Bid
Dayliff HPW 80L All-in-One Vertical Wall Heat Pump	80L heat pump water heater, wall-mounted. Uses ambient air; 3–4× more efficient than electric.	129,000	In stock
Dayliff HPW 120L All-In-One Heat Pump	120L all-in-one heat pump water heater. For medium households.	192,000	In stock
Dayliff HPW 150L 2.5kW 1PH All-in-One Heat Pump	150L heat pump, 2.5kW single-phase. Suitable for families of 3–4.	254,562	In stock
Dayliff HPW 200L 2.5kW 1PH All-in-One Heat Pump	200L heat pump, 2.5kW single-phase. For larger families.	276,602	In stock
Dayliff HPW 300L 2.5kW 1PH All-in-One Heat Pump	300L heat pump, 2.5kW single-phase. Guesthouses, lodges, and large homes.	315,172	In stock

3.5 Solar Fridges & Street Lights

DC solar refrigerators for off-grid storage and integrated solar LED street lighting for roads and pathways

Product Name	Description	Price (KSh)	Stock
Dayliff 55L SunFridge	55-litre DC solar refrigerator. Runs directly off solar panel or battery. Off-grid food storage.	43,000	In stock
Dayliff 128L SunFridge	128-litre DC solar refrigerator. Medium-capacity off-grid fridge for rural homes and clinics.	68,000	In stock
Dayliff SunFridge 233L Solar Fridge	233-litre DC solar refrigerator. Large capacity for families, shops, and vaccine storage.	108,000	In stock
Dayliff 10W Pathway Streetlight	10W integrated solar LED streetlight. For footpaths and driveways. All-in-one design.	15,400	In stock
Dayliff 20W Pathway Streetlight	20W integrated solar LED streetlight. Brighter version for larger pathways.	22,400	In stock
Dayliff 30W 3.2V Integrated Solar Street Light	30W solar streetlight, 3.2V LiFePO ₄ battery. For roads and car parks.	30,900	In stock
DAYLIFF 40W 3.2V Integrated Solar Street Light	40W solar streetlight, 3.2V LiFePO ₄ battery. Higher output for main roads.	33,000	In stock
DAYLIFF 60W 3.2V Integrated Solar Street Light	60W solar streetlight. Highest lumen output in the street light range.	36,100	Sold out
Nande 60W Solar Street Light	60W solar streetlight, Nande brand. Alternative to Dayliff 60W.	20,000	Sold out

SunTower 2.4m with 3000L Tank	2.4m elevated tank tower with 3000-litre water tank. For gravity-fed water systems.	193,140	Sold out

4. IRRIGATION & ACCESSORIES

Garden hoses, sprinklers, drip irrigation kits, Hunter professional systems, and soil enhancement products

4.1 Garden Hoses & Connectors

Product Name	Description	Price (KSh)	Stock
Dayliff Garden Hose 30M 1/2"	30-metre flexible garden hose, 1/2-inch bore.	3,237	In stock
Dayliff Garden Hose 50M 1/2"	50-metre garden hose, 1/2-inch bore. For larger gardens.	4,400	In stock
Dayliff Garden Hose 30M 3/4"	30-metre garden hose, 3/4-inch bore. Higher flow rate.	4,700	In stock
Dayliff Garden Hose Connector 1/2"	Standard 1/2-inch push-fit hose connector.	105	In stock
Dayliff Garden Hose Connector 3/4"	Standard 3/4-inch push-fit hose connector.	136	In stock

4.2 Sprinklers & Spray Heads

Product Name	Description	Price (KSh)	Stock
Dayliff GSM Multifunction (8) Garden Sprinkler 1/2" Set	8-function spray nozzle + 1/2-inch connector set. Adjustable spray patterns.	960	In stock
Dayliff GSM Multifunction (8) Garden Sprinkler 3/4" Set	8-function spray nozzle + 3/4-inch connector set.	1,000	In stock
Dayliff GSS Single Jet Garden Sprinkler 3/4" Set	Single jet garden hose sprinkler with 3/4-inch connector.	960	In stock
3-Way Garden Sprinkler with Stake	3-arm rotating garden sprinkler on a ground stake. For lawn watering.	557	In stock
Dirrijet A 1/2" PVC Impact Sprinkler	1/2-inch PVC impact rotary sprinkler. Wide throw radius for field irrigation.	223	In stock
Dirrijet A 3/4" PVC Impact Sprinkler	3/4-inch PVC impact rotary sprinkler. Higher flow for larger fields.	585	Sold out
Dirrijet A 1/2" Brass Sprinkler	1/2-inch brass impact sprinkler. More durable than PVC version.	2,135	In stock
Dirrijet 1 1/2" Plastic Raingun C/W Adaptor	1 1/2-inch raingun sprinkler with 1.5"-2" adaptor. Long-throw coverage for large farms.	2,692	In stock
PVC Screen Filter 3/4"	3/4-inch inline screen filter. Protects drip and sprinkler systems from sediment.	1,392	In stock

4.3 Hunter Professional Irrigation

Product Name	Description	Price (KSh)	Stock
Hunter PGJ-04 1/2" Rotor Sprinkler Head	Pop-up gear-driven rotor head. 1/2-inch, 4" pop-up. For small turf areas.	2,958	In stock
Hunter PGP-04 3/4" Rotor Sprinkler Head	Professional gear-driven rotor, 3/4-inch, 4" pop-up. For residential lawns.	3,219	In stock
Hunter I-25-04 1" Rotor Sprinkler Head	Heavy-duty 1-inch rotor, 4" pop-up. Commercial turf and golf fairways.	13,050	In stock
Hunter I-90 ADV 1 1/2" Rotor	Large-area 1 1/2-inch rotor. Golf courses, sports fields, and large commercial landscapes.	48,256	In stock
Hunter 885SSU Golf Rotor	Professional golf course fairway rotor. High-volume long-range coverage.	80,040	In stock
Hunter PS Ultra Spray Body (without nozzle)	Pop-up spray body, 4" rise, no nozzle included. For custom nozzle selection.	618	In stock
Hunter PS Ultra Spray C/W 5.2M Nozzle	Pop-up spray with 5.2-metre throw nozzle included.	696	In stock
Hunter ICV 1 1/2" Valve	1 1/2-inch electric solenoid control valve. For automated irrigation zone control.	17,922	In stock
Hunter ICV 2" Valve	2-inch electric solenoid valve. Higher flow zone control for large systems.	21,141	In stock
Hunter Swing Joint 3/4"	Flexible swing joint, 3/4-inch. Connects sprinkler head to lateral pipe with flexibility.	870	In stock
Hunter 8 Station X-Core Controller	8-zone programmable irrigation controller. Timer for up to 8 valve zones.	37,323	In stock
Hunter Wireless Solar Sync Controller	Wireless weather-sensing controller. Adjusts irrigation schedule based on rainfall/ET.	28,884	In stock

4.4 Drip Kits & Sprayers

Product Name	Description	Price (KSh)	Stock
16mm Drip Line 30cm Emitter 1000M Roll	1000-metre roll of 16mm drip line, emitters spaced every 30cm. For row crops.	12,644	Sold out
Dayliff Drip Kit Wide Spacing 1/4 Acre 32x32m	Complete drip irrigation kit for 1/4 acre with wide emitter spacing. Includes all fittings.	31,518	Sold out
Dayliff GN20 Knapsack Sprayer 20L	20-litre manual knapsack sprayer. For pesticide and fertiliser application.	2,700	Sold out

4.5 Soil & Plant Additives

Product Name	Description	Price (KSh)	Stock
--------------	-------------	-------------	-------

Okoamaji Water Retainer Small Granules 100g	Hydrogel water-retaining granules. Mixed into soil to reduce irrigation frequency.	396	In stock
Absorber Water Retainer Small Granules 100g	100g water-retaining granules. Similar to Okoamaji, different brand.	496	In stock
Absorber Water Retainer Small Granules 1kg	1kg pack of water retainer granules. Value pack for larger planting areas.	4,524	In stock
Earthlee Organic Humate Powder 200g	200g humic acid powder. Soil conditioner; improves nutrient uptake and water retention.	198	In stock
Earthlee Organic Humate Powder 1kg	1kg humic acid powder. For larger plots and commercial farms.	745	In stock
Achook Neem Based Insecticide 100ml	100ml neem-based organic insecticide/nematicide. Controls soil pests without chemicals.	495	In stock
Achook Neem Based Insecticide 1L	1-litre neem-based organic insecticide. For larger field application.	3,950	In stock
Nhance Foliar 100ml	100ml foliar feed micronutrient spray. Enhances plant health and yield.	464	Sold out

5. WATER TREATMENT

Domestic water filters, reverse osmosis units, replacement cartridges, and chemical disinfection systems

5.1 Domestic Filter Systems

Product Name	Description	Price (KSh)	Stock
Dayliff Mineral Water Pot	Ceramic filter water pot with mineral stones. Gravity-fed purification for households.	2,700	In stock
Dayliff Dispenser Mineral Water Pot	Mineral water pot with tap dispenser. Easy access version of the standard pot.	2,100	In stock
Water Pot Tap	Replacement tap for Dayliff mineral water pots.	641	In stock
Dayliff Mineral Water Pot (Service Kit)	Replacement cartridge and components for the mineral water pot.	1,671	In stock
Dayliff Triple Filter UV Purifier	3-stage filter (sediment + carbon + UV) for mains-connected water purification.	9,918	In stock
Tapure Water Filter	Compact tap-mount or countertop water filter. Quick-fit household filtration.	4,930	In stock
Dayliff 6-Stage Mini RO 100GPD	6-stage reverse osmosis unit, 100 gallons/day. Under-sink domestic purification.	19,900	In stock
Mini RO 400L/Day (Service Kit)	Replacement membranes and filters for the 400L/day mini RO system.	3,132	In stock
Klorman Inline Unit	Inline chlorine dosing unit. Automatically disinfects water in mains and borehole lines.	22,922	In stock

HYDRA Self Cleaning Filter 3/4" (Without Cartridge)	¾-inch self-cleaning screen filter housing. For protecting downstream equipment.	9,466	In stock
HYDRA Self Cleaning Filter 1" (Without Cartridge)	1-inch self-cleaning screen filter housing. Higher flow version of HYDRA ¾".	10,672	In stock
ATLAS JUPITER AVL30 Softener (Clearance)	30-litre automatic water softener. Removes hardness from mains water supply.	148,480	Bid
Dayliff Smart Water Dispenser 3-Tap C/W 10 Tags	Prepaid smart water dispenser, 3-tap. Comes with 10 NFC tags for access control.	127,832	Sold out
Dayliff Treated Water Dispenser	Stand-alone treated water vending dispenser. For community water kiosks.	24,940	Sold out

5.2 Replacement Cartridges & Membranes

Product Name	Description	Price (KSh)	Stock
DAYLIFF Ceramic Cartridge	Ceramic filter cartridge. Replacement for Dayliff gravity filter and pot systems.	557	In stock
DAYLIFF Mineral Stone Filter	Mineral stone replacement for Dayliff water pots.	372	In stock
DAYLIFF Cartridge 5 Stage	5-stage replacement filter cartridge set for Dayliff multi-stage filter systems.	1,021	In stock
DAYLIFF 10" 5MIC Wound Sediment Cartridge	10-inch, 5-micron wound sediment cartridge. Standard pre-filter replacement.	372	In stock
DAYLIFF 10" 10MIC Wound Sediment Cartridge	10-inch, 10-micron wound sediment cartridge. Coarser pre-filter for turbid water.	372	In stock
DAYLIFF 20" 5MIC Wound Sediment Cartridge	20-inch, 5-micron wound sediment cartridge. For longer filter housings.	743	In stock
DAYLIFF 20" 5MIC Spun Sediment Cartridge	20-inch, 5-micron spun polypropylene cartridge. Better particle retention than wound.	464	In stock
Reverse Osmosis Membrane 50GPD	50 GPD RO replacement membrane. For domestic reverse osmosis systems.	3,805	In stock
UV Lamp 6W	6W UV lamp replacement for UV water purification units.	3,341	In stock
ATLAS 10" 5MIC Wound Sediment Cartridge	Atlas brand 10-inch 5-micron sediment cartridge. For Atlas filter housings.	928	In stock
Atlas 90MIC Hydra Plastic Cartridge	90-micron coarse plastic cartridge for Hydra filter housings.	2,784	In stock
Atlas 50MIC Hydra Pleated Cartridge	50-micron pleated cartridge for Hydra housings. Better flow than wound equivalent.	8,352	In stock

SO-SAFE 20" 0.5MIC Wound Sediment Cartridge	20-inch, 0.5-micron ultra-fine wound cartridge. For polishing very clean water.	1,984	In stock
SO-SAFE 20" 1MIC Wound Sediment Cartridge	20-inch, 1-micron wound cartridge. Fine sediment removal.	1,984	Sold out
Klorman Cartridges 16"S	16-inch replacement cartridge for Klorman inline chlorine units.	3,434	In stock
Reverse Osmosis Membrane 100GPD	100 GPD RO replacement membrane. Standard size for mini RO units.	2,784	In stock

5.3 Chemicals & Disinfection

Product Name	Description	Price (KSh)	Stock
Dayliff Chlorine-90 5kg	5kg tub of 90% calcium hypochlorite granules. For tank and borehole water disinfection.	2,000	In stock
Klorman Water Tank Disinfectant	Liquid chlorine-based tank disinfectant. For periodic cleaning of water storage tanks.	3,156	Sold out
Dayliff H2O Guard	Water purification tablets/drops. For point-of-use drinking water treatment.	441	Sold out
